## \$250 Appropriated For Fat Cattle Show At Belle Blade

The County Commission Monday appropriated \$250 from its general publicity fund for the annual Fat Cattle Show to be staged at Belle Blade April 19-20 following recommendation by Commission Chairman Paul Rardin.

The board also voted donations of \$100 each to the Lake Worth High School Band and the Roosevelt High Band and \$500 for the film now in production featuring highlights of this county.

Commissioners also: Authorized County Attorney Johnston to investigate possibilities of stopping the Florida Inland Navigation District from levying taxes every few years on homesteads outside municipalities.

Requested County Engineer J. M. Boyd to obtain rights-of-way for a road from the rangeland in the south sector of the county into the proposed conservation area of the South Florida Flood Control District in order to assure a public road there.

Approved resignation of 484-foot-long Palm Trail at Delray Beach as a county road, making it the shortest road in the entire county system.

Authorized \$3,000 payment to the Florida Power & Light Company towards cost of replacing telephone poles to the new mile-long stretch of State Road 5 at Juno Beach from the old section, which the State Road Dept. will keep open for parking and general tourist accommodations.

Voted to install new telephone system at the County Home and Hospital.

Voted to advertise for bids on painting the courthouse basement corridors.

Awarded bid for a refrigerated milk dispenser to Southern Dairies, Inc., low bidder with \$329.30, upon recommendation of Boyd.

## FCD Return \$15,000 Loan To County

Return of a \$15,000 loan to the Palm Beach County Commission was made Monday by the Central and South Florida Flood Control District.

The county money was made available about three years ago as part of a \$60,000 fund to defray engineering costs for setting up the FCD. Delivering the payment to the commission was John R. Greenwood, FCD representative.

Other funds received this week by the commission was a \$20,000 payment on the county's share of taxes assessed against operation of race tracks in the state. The payment this week, according to R. B. McKee, assistant county auditor, brings the county's share to date to about \$70,000.

Two checks as the county's share of gasoline tax in the amounts of \$10,846 and \$6,661 were also received by the commission.

## Band To Present Show And Concert

Bandmaster Robert O. Lampi's Pahokee High School Band will present a concert and sponsor the showing of the motion picture, "The Paleface," starring Bob Hope, at the Prince Theater Thursday and Friday, April 26 and 27. The band will play between the showings of the film.

This promises to be an outstanding evening of entertainment and everyone is urged to attend. The band's share of the proceeds will go into the expense fund for the trip to the State Band Contest in St. Petersburg, May 3-5.

## Council Make Plans For City Election

The Pahokee City Council at a meeting Monday night passed a resolution, calling for a city election on Tuesday, May 8, at which time two councilmen, groups four and five, will be elected for two-year terms of office each. A. J. Gamot and Leo Wooten are the incumbent councilmen whose terms expire at this time. All Pahokee residents must re-register by April 27 in order to be eligible to vote in this election.

Named on the board for the May 8th election were Rev. Hoke H. Shirley, clerk; Mrs. E. E. Coleman, Mrs. R. J. Schroder and Mrs. C. A. Shive, inspectors; Mrs. Ruth Howard and Mrs. Juanita McLarty, alternates.

An ordinance was passed changing the date of tax assessments from May 1 to Aug. 1, the tax assessor to complete the assessments by Aug. 1 and present them to the Council on Sept. 1, at which time the Council will sit as an equalization board. This change in assessment date was made to bring it nearer to the end of the fiscal year which will be an advantage in the setting up of the annual budget and the new date will enable newly elected councilmen to take part in setting up the budget. The latter date will also give the Council a chance to study any State legislative action that might affect the budget.

An ordinance was also passed designating zones in which corrugated metal buildings may be built within the city limits. The Council voted to take definite action on delinquent water bills after April 15.

A contract was entered into with the Florida Power and Light Company to furnish electric power for the operation of the city waterworks, with the stipulation the contract may be cancelled on thirty-days' notice prior to the anniversary dates.

### CARD OF THANKS

We wish to thank our many friends for their words of sympathy, floral offerings and countless acts of kindness extended during the illness and death of our beloved wife and mother, Mrs. Mary Ann Peaden. May God Bless you all.

P. D. Peaden and family.

Mr. and Mrs. Lester Hand and daughter have returned from Sarasota where they visited the past week.

## FORMER PASTOR HONORED

CONGRATULATIONS FROM THE GENERAL—Chaplain (Major) Merritt O. Slawson of the 78th Fighter-Interceptor Wing receives congratulations from Major General Hugo P. Rush, commanding general of the Western Air Defense Force, after being presented with an award for outstanding service as an Air Force chaplain. High ranking Air Force officers, chaplains, and Mrs. Slawson attended the presentation ceremony at Hamilton Air Force Base, California. Chaplain Slawson is the former pastor of the Canal Point Methodist Church and a former member of the Pahokee Rotary Club. Just recently he was made an honorary member of the Pahokee club by unanimous vote of the membership.

## County Board To Offer Base Without Any Restrictions

Proposed reactivation of International Airport was thrown into court this week following action of the County Commission Monday to turn the base over to the Air Force without reservation or restriction.

The commission action brought an injunction from Fred Paddock, Sr., as an individual, in which he asked the court to restrain the commission from making the base available to the military.

Paddock's action followed a lengthy and well-attended commission session when Chairman Paul Rardin presented two resolutions which had been drawn at the request of the Airforce, setting out the provisions by which the county would turn the former airbase back to the government.

Chairman Rardin, in presenting the two resolutions—one offering the base free and clear; the second calling for consideration of money spent by the county for improvements—said the two proposals represented the thoughts of the commission.

The meeting room was jammed with interested spectators, many who came to speak in behalf of reactivation. Their remarks were supplemented by stacks of letters (continued on page 8)

## Swimming Pool To Open On April 14

At the meeting of the Pahokee City Council last Monday night a lease was granted to Leland Keene, physical education director and coach at the Pahokee Junior High School, for the operation of the swimming pool in the city park during the coming season which opens Saturday, April 14. The city will furnish the water, electricity and one-half of the chemicals needed for the treatment of the water. The admission price to the pool for this season has been set at 9 cents for children and 24 cents for adults, with season tickets \$7.50 for children and \$15.00 for adults. The Council specified the pool will be open to the public on Sundays from 1 to 6 p. m. only and Mr. Keene was authorized to arrange his own schedule of hours for week days.

## Classical League To Visit Art Museum

The Junior Classical League at Pahokee High School is planning a trip to Sarasota on Saturday, April 28, to visit the famous Ringling Art Museum in that city. Members of the League will leave early Saturday morning in private cars, visit the museum in the morning, eat a picnic lunch at the beach at noon and spend the afternoon swimming before returning home that night.

## 52 Car Accidents Is March Report In Palm Beach County

Two persons were killed and 36 injured in the 52 car accidents that occurred in Palm Beach County in March, according to a report released at the Florida Highway Patrol district office in Pahokee by Lt. H. Lee Simmons for the State Department of Public Safety.

In Palm Beach County during March FHP officers made 81 arrests for traffic law violations, issued 285 written warnings of faulty equipment and 71 for improper driving, gave assistance to 262 motorists, made 81 radio talks on safety education, passed 475 applicants for driver's licenses and turned down 164.

The record for the entire district, including Okeechobee, Indian River, St. Lucie, Martin and Palm Beach Counties, for March: Accidents, 84, with 4 killed and 57 injured; arrests, 171; written warnings of faulty equipment, 477; of improper driving, 145; assistance to motorists, 373; safety education talks, 22; driver's license examinations passed, 558; failed, 291.

## Parking Problem To Be Investigated

Following a recommendation by the Grand Jury, the Palm Beach County Commission Monday voted to investigate the problem of providing adequate parking space around the court house.

The Grand Jury, in a partial report submitted to the Commission recommended that the parking problem be studied and that if needed, a parking lot attendant be placed on the lot near the court house to properly police the area and to make certain that space would be available for persons who had business at the court house.

Commissioner John Prince was called before the Grand Jury for questioning in connection with the county parking lot. Immediate action to follow through on the Grand Jury's report was voted by the commission and Chairman Paul Rardin appointed Commissioners Lake Lytal, John Prince, County Engineer J. M. Boyd and Attorney Harry Johnston to meet with the Grand Jury committee to study the problem.

## Mrs. J. R. York Spoke At Lion Club Meet

Mrs. J. R. York, assistant principal at Pahokee High School spoke on "The Atomic Bomb and World Conditions" at the Tuesday luncheon meeting of the Pahokee Lions Club. The speaker was introduced by I. M. Lair.

Gil Galbaldon and Herman Kautz were nominated as candidates to fill the vacancy on the board of directors, one to be elected at a later meeting.

It was announced the club is sponsoring "Cousin Wilbur and His Gang" in a hill-billy show in the school auditorium this Friday night at 8 p. m.

## News Notes From State Capital

**TALLAHASSEE**—There is good news for the taxpayers as the Florida Legislature goes through its second week of the 1951 session. From the opening gun when Governor Fuller Warren asked for no new taxes, and no more appropriations than there is money to pay them, the watchword has been to "hold the line" at the 1949 level at least.

The House already has passed a bill by Rep. Perry Murray, Polk which carries the 1949 appropriations act on indefinitely if no new act is passed at this session. He was quite frank in telling the House that the purpose was to avoid last minute pressure, because in other years, the entire machinery of state government would have stopped at the end of the fiscal year July 1 if a new appropriations act had not been passed. The House vote was 85 to 0 for the Murray bill, and the feeling is that by filibuster or other means, no new appropriations bill will pass this session.

By the same token, legislative views are that no new taxes are needed. The senate finance and taxation committee, headed by Senator W. A. Shands of Gainesville, has introduced and prepared for a hearing the revamped sales tax law, cutting out the exemptions on clothing and patent medicines, making other changes de-

signed to lift the taxing power by about \$17,500,000 for two years. This will nearly cover the increased demands from schools.

**TALLAHASSEE**—The legislature this year got an early start on bills to put the regulation of electric and gas companies under the state railroad and public utilities commission. Senator Henry S. Baynard of St. Petersburg has introduced his bill to put the state over these companies, the same bill that passed the senate in 1949, but ran into a house road block of REA and private company opposition. In the house, Rep. James A. Sweeney of Volusia, Butler Dowda of Putman and others have introduced a less complicated version, which this year may have at least the silent consent of REA and cities who own their own light and gas plants. Florida is one of three states which do not fix the rates for electric and gas consumers.

**TALLAHASSEE**—Senator G. Warren Sanchez of Live Oak and Rep. Joe Jacobs of Suwannee county have led with bills to create eight congressional districts in Florida, to accommodate two new national seats that will come to Florida by reason of greater population. Their bills would cut off Leon, Wakulla and Jefferson counties from the Bob Sikes third district and put them in a new seventh district, reach from Leon to the edge of Duval county. First district would be Hillsborough and Pinellas, second would be Duval and Clay, fourth would be Dade alone, fifth and sixth would be in central and south Florida, the seventh would include the home county, Suwannee, of the introducers, and the eighth would include Polk and counties of the lower west coast.

Helping the Nation

**get things done**

for 75 years

This year is the telephone's seventy-fifth and busiest birthday.

What began as a line between two rooms in a Boston attic in 1876 has developed, in one lifetime, into a Long Distance network that covers the Nation—and extends to most of the world's telephones. This great system has grown in answer to the needs of a people. And it's a good thing it has. In these threatening times, the Long Distance lines that bind this country together are more vital than ever. For today they are helping to speed production and guard the Nation's security—jobs that call for nothing less than the best telephone service in the world.—Southern Bell Telephone and Telegraph Company.

To help speed your Long Distance call, please  
give the operator the out-of-town telephone number.  
Telephone lines are busy with national defense.

## Canal Point Lions In Regular Meeting

The Canal Point Lions Club at a dinner meeting Monday night assumed as a club project the raising of funds for the payment of an Esby baby grand piano for the new community building at the County Park in Canal Point. It was announced the piano, which has already been installed on trail, is being offered by the Leggett Music Company of West Palm Beach at a very special price of \$775 and since it will be available for use by various groups in the entire Pahokee-Canal Point area, funds for its payment will be solicited in Pahokee as well as in Canal Point.

A. R. Harrington, program chairman, introduced Bandmaster Robert O. Lampi who presented an instrumental quartet from his Pahokee High School Band in a program of musical selections. Included in the quartet were Charles McCurdy (clarinet), Willard McCurdy (trombone), Millard Stanley (baritone saxophone) and Dick Atkins (clarinet). Miss Rita Faye Hurt accompanied the quartet on the piano.

It was announced the club is in need of the services of an individual or a group to prepare and

serve meals at the regular Monday night dinner meetings. At the meeting next week the nominating committee will report its recommendations for a new slate of officers.

Emmett Roberts of Belle Glade, Lions district governor, was a visitor. President Boyd Vorhies presided.

## B&PW Club Elect Officers At Meet

Mrs. Doris Sasser was re-elected president of the Everglades Business and Professional Woman's Club at a meeting last week at the home of Mrs. Hilda Jensen. Other officers elected were Mrs. Elsie Sims, vice president; Mrs. Valerie Larimore, second vice president; Miss Bette Lou Pickett, treasurer; Mrs. Mildred Lavender, recording secretary, and Miss Lucille Williams, corresponding secretary. Installation of the new officers will be conducted at the annual banquet on Tuesday night, April 17.

The group voted as a club project to sponsor during the month of April the fund-raising campaign for the Palm Beach County Unit of the American Cancer Society in the Pahokee-Canal Point area. Mrs. Minnie Southwick of Lake Worth gave a talk on the activities of the American Cancer Society and Mrs. Barbara Matten of

## Part Of Cigarette Tax For TB Control

Approval of setting aside a portion of the State Cigarette Tax for tuberculosis control was voted by

the County Commission at its meeting Monday.

The board, after receiving a resolution from the Palm Beach County Federation of Woman's Club, went on record as favoring the present distribution of cigarette taxes which provides that all funds collected outside municipalities go into the TB control fund. Such a distribution was approved by the legislature two years ago and will again be presented during the present session.

## Duda & Sons Offer Use Of Equipment To Flood Control

An existing eight mile canal, additional rights of way and the use of a bulldozer, dragline and other equipment were offered to the Central and Southern Florida Flood Control District last week by Duda & Sons, large agriculture and cattle operators. The offer was made as a gesture of cooperation in an attempt to secure a canal from the St. Johns to Indian River which Duda & Sons pointed out as being important due to more land and more marshes being diked in this area. The canal offered is located between Lake Winder and Lake Pointsett.

The Governing Board, Saturday, authorized district engineers to investigate the offer.

Purchases of emergency equipment for the district including 5000 sand bags, 200 tons of steel piling and 60 tons H-beam at an estimated total cost of \$48,000 was approved by the Board with the stipulation that the materials were to be used only for emergencies.

The district engineering department was instructed to work out details for a proposed temporary water control structure in L-8 Canal at a point three and eight tenths miles north of Twenty Mile Bend in Palm Beach County to prevent overdrainage of land in this area and to hold up the water levels of the canal. Herbert C. Gee, consulting engineer of the district, told the board that the Corps of Engineers had indicated a willingness to build the structure if the District would purchase the piling. When the permanent structure is finally erected, this temporary piling would be salvaged and returned to the district.

### CARD OF THANKS

We wish to thank all persons who so splendidly cooperated in putting over the benefit turkey dinner in the school cafeteria Saturday night, with special thanks to the mothers of band members who so unselfishly donated their time in the preparation and serving of the 400 meals, to the mothers and girls who washed the dishes and cleaned up the cafeteria after the supper and to all those who donated vegetables, staple groceries, rolls and cash to help the cause along. As a result the St. Petersburg trip fund is richer by \$374.74.

## Two Pahokee Boys Go To Washington

Mac Lynn and Morris Hughes have been chosen to represent the Pahokee School Safety Patrol at the National Safety Patrol Convention in Washington, D. C. May 10-13. The boys will travel by train with expenses paid with contributions from the Parent-Teacher As-

sociation, the Pahokee Lions Club, the Pahokee Police Department and individuals.

The patrol is sponsored by Coach Jim Maynor. Its members include Mac Lynn, captain, Morris Hughes, lieutenant, Buddy Hewell, Phillip Ryals, John Adams, lieutenant, Bobby White, Jerry Roberts, Joe Parker, Thurman Kemp, James Usher, James Barbas, Douglas Gillis and Albert Gamot.

## E. C. Wright Is New Highway Patrolman

Patrolman E. C. Wright assumed his duties as Florida Highway Patrol officer for the Pahokee-Canal Point on April 1, replacing B. W. Brinson who recently resigned from the patrol and moved with his family to Madison, Fla.

Patrolman Wright comes to Pahokee from Okeechobee where he worked with the Florida Game and Fresh Water Fish Commission in that area for four years before joining the FHP, Mar. 15, 1951. He and Mrs. Wright and son, Al, are making their home in one of the Boe cottages on Canal Point Road. Two large rooms of concrete-block construction have been added to the rear of the Florida Highway Patrol district office building

in Pahokee.

The construction of this addition has been completed except for final touches on the interior finish and it adds to the appearance of the handsome main building. One of the rooms will be used to give examinations to applicants for driver's licenses and the other will serve as a garage and supply room, according to Lt. H. Lee Simmons.

After turning it down in Spanish, French, Italian and German, The Jockey Club—which decides such things—finally accepted the Hawaiian version of the name for a Florida-bred race horse now at Hialeah. In the language of the islands, the tongue-twisting Mama Na Wawae, means "Speedy of the Feet."

## Buzz And The Off-Key Baritones

Reverend Lester of the church put on Hillsboro Road coaches his Young Peoples' Choir late Thursday afternoons—after high school basketball practice lets out.

Buzz Ellis pastures cows next to that church. Around 5 o'clock they used to make a lot of racket about wanting to go home. That made it kind of rough on the choir.

When Buzz learned what was going on he said to Reverend Lester: "I never yet heard of a cow that could moo on key. So, I'll just move 'em in a little earlier..." This started me to thinking. Buzz

doesn't go to that church. And he's so tone-deaf he couldn't carry a tune in a bucket!

From where I sit, you might say that Buzz didn't have much in common with those singers. But he doesn't divide folks into groups he's "with" or "agin." Your politics, your personal preferences—or the fact that you like a moderate glass of beer—mean nothing either way to Buzz. He's a real neighbor to everybody!

## Possibility Of New Aviation Industry Is Seen In County

Possibility of a new aviation industry in Palm Beach County was seen Monday when the Palm Beach County Commission was asked to consider the sale or transfer of Palm Beach Aero Company leases at Lantana and International Airport.

The request to the commission came from R. Bruce Jones, who said he represented a number of local and northern interests who had plans for opening an aircraft agency plus serving as a distribution center for radio equipment.

Jones said the group of businessmen included Curt B. Joa, Jack Kraft, Lear Instrument Inc., Butler Company of Chicago, Les Jackson, Wiley Reynolds, Warren Grimes and Harold Matis.

The attorney asked that the commission determine if it was possible to take over the leases owned by Palm Beach Aero which has hanger space at both airports. The new enterprise, according to Jones, would be operated by Paul Butler, of the Butler Company.

Action on the request will come from a special committee named by Commission Chairman Paul Rardin who appointed Commissioners John Prince, Lake Lytal, Kenneth Foster, County Attorney Harry Johnston and County Engineer J. M. Boyd, to investigate the proposal.

## Rainbow Girls Initiate New Members

The Misses Charlotte Cate, Rose Marie Henderson and Carolyn Hickerson were initiated into the Order of the Rainbow for Girls at a meeting of the Pahokee Assembly in the Masonic Hall Monday night, with Miss Rita Faye Hurt, worthy advisor, in charge of the initiation ceremony.

The group completed plans for sponsoring a square dance in the County Park Community Building in Canal Point on the night of April 13. Adult guests at the dance will include Mrs. N. A. Anderson, Mrs. Joseph Rosenberg, Mr. and Mrs. P. A. Sizemore, Mrs. Lon Adams, Cecil Hall and Mr. and Mrs. Wade Ammons.

### TO PRESENT ORGAN RECITAL

Arthur Lancaster, minister of music at the First Methodist Church, West Palm Beach, will present an organ recital at the Pahokee First Methodist Church Wednesday, April 18, at 7:30 p. m., using the new Wurlitzer organ recently purchased by the church from Brubaker's Music Company, West Palm Beach. The public is cordially invited to attend.

Following the recital church officers and members will conduct a quarterly conference in the auditorium.

## Pahokee PTA Elect Officers For Year

Mrs. J. C. Schoepel was re-elected president of the Pahokee Parent-Teacher Association at the annual election of officers held in the high school auditorium Monday night.

Other officers elected for the 1951-52 school year were Ned Kocher, first vice president; Mrs. J. T. Holden, second vice president; Mrs. E. J. Graham, secretary, and Mrs. Ernest Maxwell, treasurer. The report of the nominating committee was given by Miss Ruth Dorsey, chairman. Other members of the committee were Mrs. Norman A. Kennedy and Edward A. Jensen.

On the program Mrs. Don Hillier, program chairman, introduced Mrs. Ruth V. Meredith, beautification director of city parks, who explained to the audience the city's beautification program.

At the business session the

group voted a \$50 contribution to help pay the expense of sending the Pahokee High School Band to the State Band Contest, in St. Petersburg May 3-5. Plans were made to send a representative to the PTA Summer Institute in Tallahassee and \$25 was set aside to help pay the traveling expenses of the representative. Principal Clyde A. Canipe was authorized to continue plans for the installation of a screen and blackout curtain for the school auditorium in order that motion pictures can be shown in the daytime, this project to be carried out despite the increase in cost above the original estimate.

The monthly attendance awards went to Mrs. Kathryn Cunningham's first grade room at the elementary school and to Ned Kocher's tenth grade group at the high school.

Following the meeting refreshments were served in the school cafeteria by Mrs. Herman Kautz, hospitality chairman, and her special hostess committee for the month.

## Christian Science Society

### CHURCH OF CHRIST, SCIENTIST

Heartening reassurance to all who dread sickness and sin and their results permeates the Lesson-Sermon entitled "ARE SIN, DISEASE, AND DEATH REAL?" which will be read in all Christian Science churches next Sunday.

The Golden Text is taken from one of the Psalms of David: "He that is our God is the God of salvation; and unto God the Lord belong the issues from death" (Ps.

68: 20).

This statement made by Job is among the Bible citations: "For the thing which I greatly feared is come upon me, and that which I was afraid of is come unto me" (Job 3: 25).

Correlative readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The procuring cause and foundation of all sickness is fear, ignorance, or sin" and "The great fact that God lovingly governs all, never punishing aught but sin, is your standpoint, from which to advance and destroy the human fear of sickness" (pp 411, 412).

## Methodists To Have Loyalty Dinners

The annual loyalty dinners for members of the Pahokee First Methodist Church will be held at the Woman's Club on Monday night, April 23, and Tuesday night, April 24.

## Come to Church

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

# Try this on your stereoscope!

When this "viewer" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that beats those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan—an automatic

method of saving that all but puts you on that liner and says "bon voyage."

So simple, so painless, so sure—the Payroll Savings Plan sets aside a small part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and GROW. In ten short years they pay you back \$4 for every \$3 you put in today.

A self-fattening investment—guaranteed by Uncle Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month Plan at your bank.

No matter how you look at them, U. S. Savings Bonds help to picture a bright, happy future!

## LOOK WHAT THE JUDGE CAUGHT

Shown above is Judge Joseph S. White of the Fifteenth Judicial Circuit of Florida displaying his catch of a recent week end fishing trip, on Lake Okechobee. The West Palm Beach jurist is an ardent follower of Isaac Walton. The beautiful big mouth black bass tipped the scales to 10 pounds and two ounces and was caught in the Bay bottom not far from the tip of Kraemer Island.

## County Board To—

(continued from page 1)  
and telegrams to the commission, the majority of which pressed for reopening of the base.

Lone opposition to reactivation came from the Town of Golfview where the town council adopted a resolution asking the commission not to proceed with the reactivation proposal unless the Airforce agreed to hold the base to its present size. The town also objected to closing Belvedere Rd. and possible abandonment of the airlines from the base.

The injunction was filed a short time after the commission adopted its resolution to offer the base to the Airforce without restriction. Hearing on the court action was set for 2 p. m. Thursday.

The commission after adopting the formal resolution, voted to call the attention of the Airforce to a clause in the deed which turned the base back to the county after the last war, in which the government provided that any funds spent for improvement would be given consideration when the time came for the military to again take over operation.

The second resolution which was presented but not adopted, offered the field without restriction but with the recommendation that funds spent for maintenance and improvements be determined by a survey and the county be reimbursed; that airlines be given consideration for operation and that

the base be made a permanent military installation.

Commissioner Lake Lytal said about \$67,000 had been spent for long range improvements and that taxpayers, because of the possible reactivation would not receive the full benefit of this investment of tax money.

The second resolution, however, was tabled and the letter substituted after spectators insisted that nothing should interfere with the government being offered the base free and clear.

Chairman Rardin said it was the thought of the commission that the board did have an obligation and responsibility to the taxpayers to work out the best deal possible.

Among groups represented at the meeting Monday were the Cities of Lake Worth, West Palm Beach, Riviera Beach, Chambers

of Commerce from Jupiter, Lake Worth, West Palm Beach, Riviera Beach; present tenants at the airport and a number of individuals.

Late in the meeting the commission voted to name a committee to explore the possibilities of finding a new headquarters for several county activities now located at the airbase. Named to the group by Chairman Rardin were Commissioners John Prince, Lake Lytal, Kenneth Foster, Engineer J. M. Boyd and Attorney Harry Johnston.

The Florida Trapshooter's Association will hold its Annual Clay Target Championship at the Cigar City Gun Club in Tampa, April 5, 6, 7, 8, with trapshooting stars from all sections of the state competing.

The Altar Society of St. Mary's Catholic Church will sponsor a rummage sale in front of the Showboat theater in Pahokee Saturday, April 14. Mrs. Frank Shaughnessy and Mrs. C. L. Wilder are in charge of arrangements.

Florida State Farmer's Markets proved their worth many times over this year for without them farmers would not have had ready markets for millions of dollars worth of Florida products, with cash buyers waiting.
